(i) would not have been such as to make him unfit to drive a motor vehicle in the case of proceedings for an offence under section 26(1) or section 26B(1)(a); or

(ii) would not have exceeded the prescribed limit in the case of proceedings for an offence under section 26(1) or section 26B(1)(b).
(3) Subject to subsection (5) —

(a) evidence of the proportion of alcohol in a specimen of breath may be given by the production of a document or documents purporting to be either a statement automatically produced by the breath-analyser or other device and a certificate signed by a police officer (which may but need not be contained in the same document as the statement) to the effect that the statement relates to a specimen provided by the accused at the date and time shown in the statement; and

(b) evidence of the proportion of alcohol or of any drug or intoxicating substance in a specimen of blood may be given by the production of a document purporting to be a certificate signed by an authorised analyst as to the proportion of alcohol, drug or intoxicating substance found in a specimen of blood identified in the certificate.

(9) On a conviction under subsection (7), the court shall order that the person convicted be disqualified from holding or obtaining a licence to drive any motor vehicle for such period not being less than 12 months from the date of such conviction as the court may think proper, unless the court, for special reasons (which shall be set out in the order of the court) thinks fit to order otherwise.

(2) An order for forfeiture or for the release of a vehicle liable to forfeiture under this section may be made by the court before which the prosecution with regard to an offence under section 37A(7) has been or will be held.

(3) If there is no prosecution with regard to an offence under of section 37A(7), the vehicle seized under subsection (8) of that section shall be forfeited at the expiry of one month from the date of the seizure unless a claim thereto is made before that date. Any person asserting that he is the owner of the vehicle may give written notice to the Commissioner of Police that he claims the vehicle.

[S 16/88]

(4) The Director and any person authorised by him may enter upon any land and exercise such other powers as may be necessary for the purpose of the exercise and performance of the powers and duties conferred and imposed under this section.

Provided that, when an application under this section is refused a further application hereunder shall not be entertained if made within 3 months after the date of the refusal.

(2) If the court orders a disqualification to be removed the court shall cause particulars of the order to be endorsed on the licence, if any, previously held by the applicant, and the court shall in any case have power to order the applicant to pay the whole or any part of the costs of the application.

District Licensing Authorities.

55. (1) The Minister may, with the approval of His Majesty the Sultan and Yang Di-Pertuan, by order signified in the Gazette, establish district Licensing Authorities for specified areas, and may give such directions as to
the composition and proceedings of such district Licensing Authorities as he may see fit, and in particular may apply any of the provisions of sections 49, 50, 51, 52 and 53 to such district Licensing Authorities.

[S 1/92]

(2) The Minister may, with the approval of His Majesty the Sultan and Yang Di-Pertuan, by order signified in the Gazette empower such district Licensing Authorities to carry out, under the general directions or the Licensing Authority, any such functions of the Licensing Authority under this Act as he may specify, including powers to hear and determine within specified areas applications for franchises and for public service vehicle licences, or for such class or classes of licences as he may specify, and to grant, refuse, revoke, suspend or attach conditions to such licences, and to exercise any of the powers of the Licensing Authority under sections 59, 68 and 69.

[S 1/92]

(3) In any area for which a district Licensing Authority has been established, all applications for franchises or for public service vehicle licences, or for such class or classes of licences as the district Licensing Authority may be empowered to grant, and all objections to such applications, shall be made to the district Licensing Authority and all references in sections 54, 63, 65, 66 and 67 to the Licensing Authority shall be deemed to apply to such district Licensing Authority.

(4) Notwithstanding anything in this section the powers of the Licensing Authority in any area specified under subsection (1) shall not be affected by any order under subsection (1) or subsection (2) and in particular where the operation of any franchise or any public service vehicle licence extends or will, if any application therefor is granted, extend outside any one specified area, no district Licensing Authority shall deal with any applications therefor or any matter affecting such franchise or public service vehicle licence save under and in accordance with the authority of the Licensing Authority.

Prohibition of use of unlicensed public service vehicles.

56. (1) Subject to the provision of this Part, no person shall on any road in any regulated area, use a motor vehicle, or cause or permit a motor vehicle to be used, as a public service vehicle unless there is in force, in respect of such vehicle, a valid licence granted under this Part authorising such use, or otherwise than in accordance with such licence and any conditions attached
thereto; and if he does so he shall be guilty of an offence: Penalty, imprisonment for 6 months and a fine of $10,000:

Provided that a person shall not be convicted of an offence against this section if he proves to the satisfaction of the court that he used the motor vehicle, the subject of the charge, as a taxicab or hire car in an emergency for the purpose of conveying a sick or injured person to hospital or to bring medical aid to such person or for the purpose of making a police report to a police station and that he made all reasonable efforts to hire a taxicab or hire car for the purpose of the journey.

(2) On a conviction under subsection (1), the court shall order —

(a) particulars of such conviction shall be endorsed on any licence to drive a motor vehicle held by the person convicted; and, either

(b) that if the person convicted holds a driving licence, his driving licence shall be suspended for such period not being less than 12 months from the date of such conviction as the court may think proper unless the court, for special reasons (which shall be set out in the order of the court) thinks fit to order otherwise; or

(c) that if the person convicted does not hold a driving licence, shall declare him disqualified from obtaining a licence for a period not being less than 12 months from the date of such conviction.

Persons deemed to be users of public service vehicles.

57. (1) Where a public service vehicle is being used on any road in any regulated area, the driver of the vehicle, if it belongs to him or is in his possession under the agreement for hire, hire-purchase or loan, and in any other case the person whose agent or servant the driver is, shall for the purposes of this Act be deemed to be the person by whom the vehicle is being used.

(2) Where at any time passengers or goods are carried in a public service vehicle which has been let on hire by the person who at the time of the carriage of the passengers or goods is within the meaning of this Act the user of the vehicle, the passengers or goods shall be deemed to be carried by that person for hire or reward:

Provided that —
(a) the user of a vehicle shall not be convicted of an offence against section 56 if he proves to the satisfaction of the court that no act or omission on his part conduced to the commission of the offence; and

(b) in such case the driver or other person responsible for the commission of the offence may be convicted of the offence as though he were the user of the vehicle.

Excepted vehicles.

58. Section 56 shall not apply —

(a) to the use of a vehicle for the purpose of funerals;

(b) to the use of a vehicle employed by or with the authority of a local authority or of any person empowered to exercise the powers of a local authority for road cleansing, road watering, or the collection or disposal of refuse or night-soil;

(d) to any vehicle owned by the Government;

(e) to any vehicle hired by a public officer for use in the execution of his duties, for such time as it is so hired.

Classes of public service vehicle licences.

59. (1) Public service vehicle licences shall be issued in respect of —

(a) stage carriages;

(b) motor omnibuses;

(c) contract carriages;

(d) taxicabs;

(e) goods service vehicles;

(f) such classes or description of public service vehicle as may be prescribed.
(2) A person who is a holder of a stage carriage licence may, subject and without prejudice to the conditions of any such licence and, if the stage carriage is subject to or regulated by a franchise, without prejudice to the conditions of any such franchise, use such vehicle as a contract carriage.

(3) Subject to any contrary direction in any regulations made under this Act the Licensing Authority may in its discretion grant a goods service vehicle licence in respect of the same vehicle or vehicles in respect of which a public service vehicle licence to carry passengers has or is about to be issued.

(4) Save where application for a public service vehicle licence entails also application for a franchise, application shall be made to the Licensing Authority or to the district Licensing Authority, as the case may be, in the prescribed manner.

(5) Where such application entails also application for a franchise the applicant may in lieu of applying in the prescribed manner apply to the authority which has authority to grant the franchise indicating whether or not he desires a public service vehicle licence in respect of any vehicle if the franchise is not granted and shall thereafter comply in such regard with the directions of such authority:

Provided that nothing contained in this subsection shall be deemed to authorise such authority to direct the licensing of any vehicle to which such franchise as may be granted does not apply.

Duration of licences.

60. (1) Subject to the provisions of section 59(2), every licence granted under this Part shall, unless previously revoked or suspended, remain in force for one year from the date upon which it is issued.

(2) Notwithstanding anything contained in this Part, with a view to enabling public service vehicles to be used temporarily —

(a) for the purpose of a seasonal business;

(b) for the purpose of the execution of a particular piece of work; or

(c) for any other purpose of limited duration,
a licence and if necessary a franchise may be granted for a period of less than one year, but not less than 3 months.
Licences and franchises not transferable.

61. No franchise or licence granted under this Part shall be transferable except with the prior consent in writing of the Licensing Authority or of the district Licensing Authority which granted such franchise or licence.

Duration and effect of licence or franchise.

62. (1) It is hereby declared that nothing in this Part is to be treated as conferring on the holder of a franchise or licence any right to the continuance after the expiration thereof, of any benefits arising from the provisions of this Part, or from such a franchise or licence, or from any terms or conditions attached to such a franchise or licence.

(2) The grant of a franchise or licence under this Part shall not relieve the holder from complying with the provisions of any written law in force in respect of motor vehicles.

Application for franchise.

63. (1) Contemporaneously with or any time subsequent to the making of an order under section 48, the Licensing Authority may, with the approval of His Majesty the Sultan and Yang Di-Pertuan, by declaration published in the Gazette declare —

[S 1/92]

(a) the franchise or franchises in respect of which applications may be made to the Licensing Authority, and the time within which such applications shall be made;

(b) the premium, royalty, fee or other consideration which will become payable under the terms of any such franchise; and

(c) such of the terms and conditions under which it is proposed that the franchise shall be granted as to which the Licensing Authority considers information to the public should be given.

(2) The Licensing Authority may either in such declaration as aforesaid or, subject to such regulations as may be prescribed therefor in such other manner as it deems appropriate, stipulate the form and manner in which any application is to be made and the particulars and information to be supplied in connection therewith.
Grant of franchise.

64. (1) The Licensing Authority, subject to the provisions of this section and section 67, upon application under section 63 may grant or refuse any franchise:

Provided —

(a) that no franchise shall be granted for a period exceeding 7 years, and shall in any case not exceed such period, if any, as may be prescribed for a franchise of a particular class or description;

(b) that the Licensing Authority shall not without the consent of His Majesty the Sultan and Yang Di-Pertuan grant any franchise inconsistent with the tenor of the declaration in respect thereof made under section 63;

(c) that if it proposes to grant a franchise the Licensing Authority shall first announce by notice in the Gazette that the grant of a franchise to a particular person is proposed, together with such details of the terms thereof as shall in the opinion of the chairman suffice to enable objections to be made thereto and shall provide by such notice for the time within which and the manner in which objections shall be made to the grant of the proposed franchise;

(d) if any objection is made within due time, being an objection which the Licensing Authority is bound to take into consideration under subsection (2), the Licensing Authority shall hold a public inquiry consistently with the rules of natural justice or, if a specific procedure is prescribed, then in accordance therewith;

(e) if the Licensing Authority refuses any application for a franchise it shall inform the applicant accordingly and also of his right of appeal under section 70.

(2) It shall be the duty of the Licensing Authority on any application to which subsection (1) applies to take into consideration any objection to the application which may be made —

(a) by any local authority having jurisdiction in and by any person resident in the regulated area; or
(b) by persons who are already providing facilities (whether by means of road transport or any other kind of transport) for the carriage of passengers for hire or reward in such regulated area,

on the ground that —

(i) suitable transport facilities exist for the route in respect of which it is proposed to grant the franchise;

(ii) if the franchise were granted transport facilities for such route would be in excess of requirements;

(iii) the applicant has failed to comply with the terms of a franchise held by him;

(iv) the Licensing Authority has not exercised its discretion in accordance with the provisions of section 67; or

(v) it is not necessary or desirable in the public interest —

(aa) to grant the franchise; or

(ab) if the franchise is to be granted to grant such franchise to the applicant.

(3) This section shall apply to every application for a short term franchise as provided by section 60(2) unless the Licensing Authority is of the opinion either —

(a) that, having regard to the trivial nature of the application, it is not necessary that any opportunity should be given for objecting; or

(b) that the application has been made with reasonable expedition and that the demand for the use of the vehicle to be authorised under the franchise is so urgent as to render compliance with the requirements of this section impracticable or inexpedient.

(4) Where, as provided for in this section, any person objects to the grant of a franchise, the burden of satisfying the Licensing Authority that such objection is well founded shall lie upon such person.

(5) The Minister may, with the approval of His Majesty the Sultan and Yang Di-Pertuan, by regulation apply the provisions of this section to any class or description of public service vehicle in addition to a stage carriage.

[S 1/92]
Meeting of the Licensing Authority.

65. (1) The Licensing Authority shall from time to time hold meetings for the purpose of considering applications to which the preceding section applies and any objections duly made to such applications.

(2) At any such meeting, the chairman may by writing under his hand require the attendance of any applicant or objection, and similarly may require any other person to attend who, in the opinion of the chairman, is able to furnish information or produce documents likely to be of assistance to the Licensing Authority.

Information required by the Licensing Authority.

66. Any person applying for a franchise or licence under this Part shall, in addition to the prescribed particulars which he is required to furnish with his application, give to the Licensing Authority any information which the Licensing Authority may require for the proper exercise of its functions under this Part, and in particular shall, if required by the Licensing Authority, submit to the Licensing Authority such particulars as the Licensing Authority may require with respect to any business as a carrier of passengers or goods for hire or reward carried on by the applicant at any time before the making of the application, and of the rates charged or proposed to be charged by the applicant.

Matters to be considered by Licensing Authority.

67. On any application to which section 64 applies, the Licensing Authority in exercising its discretion to grant or refuse a franchise and to attach terms and conditions thereto shall have regard to the following matters —

(a) the extent to which the proposed service is necessary or desirable in the public interest;

(b) the maintenance of efficient transport services in a regulated area;

(c) the suitability of the roads on which a service is intended to be provided;

(d) the extent, if any, to which the transport needs of the proposed routes or areas or any of them are already served;
(e) the financial ability of the applicant to provide the proposed service, and whether the applicant is resident and carrying on business in Brunei Darussalam and whether the greater part of the capital required for operation is derived or to be derived from persons resident or operating in Brunei Darussalam;

(f) the previous conduct of the applicant in the capacity of a carrier of goods or passengers or as the holder of a public service vehicle licence;

(g) the proposals of the applicant as to —

(i) the maximum and minimum charges for the carriage of goods and passengers;

(ii) the class or classes of goods to be carried;

(h) the number and type of vehicles proposed to be used, and the specifications thereof;

(i) the facilities at the disposal of the applicant for carrying out vehicle maintenance and mechanical repairs and overhaul of vehicles;

(j) the conditions of service of employees of the applicant;

(k) the public purposes (if any) to which profits to be derived from the proposed service are to be applied.

Additional powers of the Licensing Authority.

68. (1) The Licensing Authority may from time to time, after such notice to the holder of any franchise as it may think proper, vary or add to the terms and conditions attached thereto.

(2) A franchise or licence granted under this Part may, after such notice to the holder thereof as the Licensing Authority may think proper, be revoked or suspended at any time by the Licensing Authority on the ground that any of the terms or conditions of the franchise or licence have not been complied with, or by reason of the fact that the holder of the franchise or licence has been convicted of an offence against this Act or any regulation made hereunder, or against any other Act relating to motor vehicles.

(3) The Licensing Authority may, in lieu of revoking or suspending a franchise, direct that any one or more of the vehicles to which the franchise relates shall be removed therefrom, or that the maximum number of vehicles
to which the franchise relates shall be reduced and references in this or any other section of this Act to the revocation or suspension of a franchise shall be construed as including a reference to the giving of a direction made under this subsection.

Variation of franchise on application.

69. (1) On the application of the holder of a franchise the Licensing Authority may at any time during the currency of the franchise vary the franchise by directing that additional vehicles shall be specified therein, or that vehicles specified therein shall be removed therefrom, or that the maximum or minimum number of motor vehicles to which the franchise relates shall be increased or reduced.

(2) The foregoing provisions of this Part as to applications for franchise, as to the grant or refusal thereof, and as to the attaching of terms and conditions thereto, shall apply in relation to the variation of any such franchise:

Provided that the Licensing Authority shall be bound to grant an application for a variation consisting only of the removal of a specified vehicle from the franchise, but nothing in this proviso contained shall be deemed in any way to relieve the holder of any franchise from any condition of the franchise as to the minimum number of vehicles by which the service shall be operated.
