(DEVELOPMENT CONTROL) ORDER, 1972**

Declaration Under Section 3

In exercise of the powers conferred upon me by Section 3 of the Emergency Town and Country Planning Development Control Order, 1972, I, being of the opinion that the area illustrated on Misc. Plan No. 117 deposited in the Survey Department, Brunei, should be subject to development control, hereby declare the said area to be a Development Control Area for the purpose of the Town and Country Planning Regulations No. 3 — Control of Development and Use of Land and Buildings, and to be designated the “Subok Development Control Area.”

Lots 1473 and 2255 shall be excluded from the Subok Development Control Area as they have already been included in the Main Road Development Control Area — Area 3, Jalan Kota Batu.

Misc. Plan No. 117 is also available for inspection in the Town and Country Planning Department, Brunei.
