

**ROAD TRAFFIC ACT
(CHAPTER 68)**

**NOTICE OF PERMISSION UNDER REGULATION 18(3)
OF ROAD TRAFFIC REGULATIONS**

S 191/1981

REVISED EDITION 2022

SUBSIDIARY LEGISLATION

Notice of permission under regulation 18(3) of Road Traffic Regulations

Commencement: 30th December 1981

1. The Commissioner of Police and the Director of Land Transport have given their written permission for the following description of tinted glass to be used or fitted to the windscreen or window of a motor vehicle —

(a) originally manufactured tinted glass fixed to the windscreen or window of a motor vehicle. Such tinted glass shall have a degree of light transmission of 70 degrees and above and is supported by test report from recognised laboratory;

(b) no locally tinted glass shall be fixed to the windscreen or window of a motor vehicle unless such tinted glass has a degree of light transmission of 70 degrees and above and supported by test report from a recognised laboratory.

2. For the purposes of this permission —

“locally tinted glass” means glass tinted with plastic film or paint;

“recognised laboratory” means the British Institute of Standards or the Japanese Institute of Standards.
