(5) Where the request for extension is made after the time or period has expired, the Registrar may, at his discretion, extend the period or time if he is satisfied with the explanation for the delay in requesting the extension and it appears to him that any extension would not disadvantage any other person or party affected by it.

(6) Where the period within which any party to any proceedings before the Registrar may file evidence under these Rules is to begin upon the expiry of any period in which any other party may file evidence and that other party notifies the Registrar that he does not wish to file any, or any further, evidence, the Registrar may direct that the period within which the first mentioned party may file evidence shall begin on such date as may be specified in the direction and shall notify all parties to the dispute of that date.
